

MOLLE Panel (Short) NEW

MODULAR UPGRADE PANEL FOR OVERHAUL HD

Configure your gear your way! The OverHaul MOLLE panel increases the utility of the OverHaul HD by giving you a versatile surface to mount your shovel, recovery gear, RotopaX, soft packs, and more! With two size options and up to a 34 kg gear limit, you'll be ready for what the trail can throw at you.

- Designed with a universal grid and slot pattern for ultimate flexibility to locate accessories and gear.
- Aluminum construction and powder coated finish for corrosion resistance and long-lasting durability.
- Engineered, tested, and fully off-road certified for up to 34 kg of gear.
- Sold as a single panel, for spacing of 40" (101.60 cm) between crossbars.
- Heavy duty side panel attaches to OverHaul HD truck rack.
