

# SkyRise HD NEW

## PREMIUM SOFTSHELL TENT

Built tough to handle all conditions, the SkyRise HD rooftop tent transforms any vehicle into a reliable base camp. Made from durable 600D ripstop polyester fabric with a 3000 mm waterproof PU coating, this tent provides excellent protection against the elements. The rainfly extends over the ladder, keeping you dry and shielded as you climb into your cosy retreat. Inside, extra-large windows and doors provide sweeping views and refreshing ventilation, while the thick, wall-to-wall foam sleeping pad ensures a restful night's sleep wherever your journey takes you.

- Quick-to-deploy softshell rooftop tent with a pop-out expansion for covered ladder access
- Main fabric made from 600D Ripstop polyester and a removable 210D Ripstop polyester rainfly
- 4-season waterproof materials with balanced breathability and weather resistance
- Large doors and windows with a removable rainfly that opens to skylights, revealing stunning views
- Interior pockets for gear organisation
- Collapsible ladder with extra wide "barefoot friendly" ergonomic angled steps
- Premium memory foam mattress with a removable cover and anti-condensation mat
- Guy lines and D-rings on the tent floor for hanging gear or securing the tent in windy conditions
- Secure and lockable low-profile tent clamps and (SKS) lock cores included
- Dual zippered pass-through slots for power or other accessories
- SkyRiseHD weight: 59 kg
- Static load capacity: 272 kg
- Folded: 147 cm x 122 cm x 42 cm
- Open: 320 cm / 244 cm x 142 cm x 122 cm
