

SkyBox™ NX 16 & 18

GENERAL TRAVEL CARGO BOX

Make way for the new benchmark. The all new design and updated texture make the SkyBox NX feel right at home on any vehicle. With class leading features like a self limiting torque knob for an easy, worry free install, that same knob is fully removable so you can take advantage of the flattened interior floor for maximum internal usable space, while the full metal handle make the open/close experience a dream.

- New NX nano-texture on both lid and base are paired with an all new design to match modern vehicles
- All new lid structure designed for stiffness and storage capacity
- Removable torque limiting knob ensures a safe and secure installation
- Full metal opening handle is easy to use and locks gear inside the box and the box to the vehicle
- Market-leading internal usable space with an unobstructed flattened floor provides more space for your gear
- Market-leading hatch clearance for better vehicle fit
- Dual-sided opening for easy access on either side of your vehicle
- Integrated interior tie-down points
- NX16; fits snowboards and skis up to 175cm
- NX18; fits snowboards and skis up to 195cm
- SKS Locks included for added security
- Made in the USA
