Yakima Roots WE DON'T HAVE WILD SIDES— WE HAVE WILD SOULS

Our story is more of a journey, because we've never been good at sitting still. After all, we don't have wild sides; we have wild souls. For more than four decades, our trusted solutions have transformed the way people travel. We're leaders in our category, packing heritage, safety, design sensibility, and street smarts into every product. Based in the Pacific Northwest, we've got the great outdoors at our doorstep. From valleys and peaks to banks and backlands, the grounds we roam make us feel at home. Together with our network of respected retailers, we give everyone the freedom to wander, the right to be unruly, and the confidence to go more rogue.

NEW CARGO 2023

NEW

SkyBox™ NX Collection
MODERN CARGO BOX FOR ALL

Make way for the new benchmark. The all new design and updated texture make the SkyBox NX feel right at home on any vehicle. With class leading features like a self limiting torque knob for an easy, worry free install, that same knob is fully removable so you can take advantage of the flattened interior floor for maximum internal usable space, while the full metal handle makes the open/close experience a dream.

Full metal handle makes opening the box a breeze and strong indicator lets you know when the lid is not fully closed

Flat interior surface maximizes capacity

Market-leading hatch clearance

All new lid structure designed for stiffness and storage capacity
