

MOLLE Panel (Short) NEW

MODULAR PANEL FOR OVERHAUL HD

Configure your gear your way! The OverHaul MOLLE panel increases the utility of the OverHaul HD by giving you a versatile surface to mount your shovel, recovery gear, soft packs and more! With two size options and up to a 24 kg gear limit, you'll be ready for what the trail can throw at you.

- Designed with a universal grid and slot pattern for ultimate flexibility to locate accessories and gear.
- Aluminium construction and powder coated finish for corrosion resistance and long lasting durability.
- Engineered, tested, and fully off-road certified for up to 24 kg of gear.
- Gear can be mounted on the inner and outer side of the panel.
- Slots in top and bottom can accommodate small items like the AceO'Spades or EyeBolts.
- Sold as a single panel, for spacing of 40" (131.60 cm) between crossbars.
- MOLLE side panel attaches to the OverHaul HD ute rack.
