

StageTwo +2 **NEW**

PREMIUM PLATFORM HITCH BIKE RACK ADD-ON

Two plus two equals more: More bikes, more friends, and more fun. Adding on the StageTwo +2 lets you double your capacity to four bikes, each carried securely and in style.

- StrongArm™ hook secures bike at wheels, protecting painted surfaces and carbon frames
- Convenient 3-Position tilt lowers to allow boot or tray access with bikes loaded, and folds flat against the car with bikes unloaded
- StadiumSeating™ tiered and adjustable bike trays offset to minimise bike-to-bike interference
- Fits most bikes, including fat-tyre, mountain, gravel, road, hybrid, BMX, kids' bikes, & ebikes up to 18.1 kg each
- Accommodates bike wheelbases from 76 cm to 132 cm
- Fits 16" to 29" wheel sizes and tyres up to 5" wide
- Offset trays for extra bike-to-bike clearance
- Integrated SKS (Same Key System) locks included to secure bikes to rack
- Add your own bike lock to the integrated lock loop for greater bike security
- RampUp compatible V-shaped trays for easy, roll-on loading and stows away neatly on the rack (RampUp sold separately)
- Built-in bottle opener - cheers!
- Compatible with the StageTwo (sold separately)
- Offroad rated up to 10.9 kg per bike
- Not RV compatible
- Colourway - Anthracite
