Why Roam With Yakima

WE'VE BEEN AROUND THE BLOCK AND BACK

For 45 years, we've over-delivered on our promise of safety, support, and satisfaction. As the most trusted industry supplier, we consider our retail partners to be the cornerstone of our community. That's why we invest tons of time and energy into helping them with orders, inventory, training, merchandising, marketing, and add-ons. Keeping our end customers in mind, we deliver the best out-of-box experience across our complete product line. From stores to garage doors to all types of terrain, we've mastered the nuts and bolts of doing business without losing sight of the adventures that spark our spirit.

Strength from Within

HEAVY DUTY TESTING

At Yakima, we don't just talk about strength – we embody it. With 45 years of experience, our products are made tough, rugged, and able to handle anything that comes their way.

We engineer strength into products from the start, exceeding most industry testing standards, because we want it to outlast & outperform.

So go ahead, push our products to the limit – we stand behind it.

This is not an outward marketing ploy.
This is really who we are and what we do.
This is strength from within.
