# YAKIMA®

## Our Roots

**WE DON'T HAVE WILD SIDES—  
WE HAVE WILD SOULS**

Our story is more of a journey, because we've never been good at sitting still. After all, we don't have wild sides; we have wild souls. For more than four decades, our trusted solutions have transformed the way people travel. We're leaders in our category, packing heritage, safety, design sensibility, and street smarts into every product. Based in the Pacific Northwest, we've got the great outdoors at our doorstep. From valleys and peaks to banks and backlands, the grounds we roam make us feel at home. Together with our network of respected retailers, we give everyone the freedom to wander, the right to be unruly, and the confidence to go more rogue.

**THIS IS WHERE WE  
LIVE AND PLAY**

Portland, OR, USA

## From the Mountains to the Olympics

**TAKING BIKES BEYOND THE TRAILS**

Starting with the birth of mountain bikes in the late '70s, Yakima bike mounts have been used across the world, from the road to the trail and beyond. In 1984, Yakima outfitted the vehicles of the Summer Olympics with the 2B SRL Fork Mount, and we haven't stopped innovating since.

### The Bike Collection

**TAKING TWO WHEELS FURTHER THAN EVER**

We've designed solutions for every bike and every vehicle. Hauling two-wheeled adventure to trailheads and roadways across the world. Our 2022 bike collection continues the Yakima tradition of innovation, providing more options to road warriors everywhere. Featuring the new HangTight vertical hitch bike rack and StageTwo premium tray hitch rack.

## MULTI-STYLE VERTICAL HITCH BIKE RACK

NEW

### HangTight™ VERTICAL HITCH BIKE RACK

4-BIKE #8002742, 6-BIKE #8002743

A space-saving vertical rack for any adventure. Unique and original engineering carries up to six bikes by the handlebars. Fully padded cradles support the bike by the handlebar and provide class-leading stability for almost any type of bike.

ACCESSORIES: DH CRADLE #8002744

HangTight 4

HangTight 6

▲ Dual padded cradles securely hold and protect bikes from one another.

▲ Rotating rear wheel cup fits a wide range of wheelbases.

▲ Foot-operated tilt makes it easy to access the rear of the vehicle.

▲ Built-in lock loop for rider's own bike lock.

## TRAY STYLE RACKS

NEW

StageTwo™ +2  
ANTHRACITE #8002727  
VAPOR #8002741

### StageTwo™ PREMIUM TRAY HITCH RACK

- ANTHRACITE 2" #8002725, 1.25" #8002726,
- VAPOR 2" 8002740

StageTwo is more than capable of carrying precious cargo to the trailhead with its premium features and heavy-duty strength. It's designed to decrease bike-to-bike interference with StadiumSeating™ style trays, as well as maximize ground clearance. A newly designed locking SpeedKnob™ makes install easier than ever. Forward-facing remote tilt lever grants simple trunk area access, while integrated locking cables, as well as the user's own lock, provide tenacious security. (Approved for RV and Off-Road use).

ACCESSORIES: FAT BIKE KIT #8002735, SAFETYMATE #8002738, RAMPUP #8002737

▲ StadiumSeating™ and adjustable bike trays minimize bike-to-bike interference.

▲ Full-length trays designed for modern bikes of all sizes, including road, mountain, fat tire, and e-bikes.

▲ Ergonomic, forward-facing remote tilt lever with action release tilts loaded rack forward.

▲ Newly designed ergonomic SpeedKnob is easier to use and looks good too.

## NEW TRUCK

NEW

### GateKeeper™ TRUCK TAILGATE PAD

- BLACK MD #8007455, LG #8007456
- CASCADE BLUE MD #8007459, LG #8007460

The GateKeeper tailgate pad is a perfect companion for pickup bed bike transport. The durable, padded nylon exterior protects your bike from your truck's tailgate while the soft felt backing keeps your truck's paint protected. Integrated SitTight™ bike cradles add extra stability and protection for your bikes and the HindSight™ tuck-away cover opens up the view for your backup camera, leaving you with a worry-free shuttle to the top.

**GateKeeper™ Cascade Blue**  
Cascade blue with printed graphics and silver reflective Yakima logo.

## TRAY AND VERTICAL BIKE RACKS

**OnRamp™**  
2" #8002706, 1.25" #8002707

Going the distance with heavy bikes in tow now has an easy solution. The OnRamp offers up the strength required to haul heavy e-bikes, and an integrated ramp allows the user to simply roll any bike into place. (Approved for RV and Off-Road use).

**HangOver™**  
4-BIKE #8002484, 6-BIKE #8002485

Tested in the lab and on the road, the HangOver safely hauls 4 or 6 mountain bikes to the trailhead. It securely holds any bike with a suspension fork and is perfect for tour operators, group rides, and big families.

## TRAY STYLE RACKS

**HoldUp™ EVO**  
Feature-packed 2-bike tray rack. Locks bikes and rack to vehicle.
