

CBX™ LG **NEW**

PREMIUM CARGO BOX

Form, meet function. A carrying option worthy of your vehicle's roof, the CBX combines rugged, trail-ready, aesthetics and an all-new textured surface to raise the cargo box game. The details make the design, with an integrated, easy-grab lid handle that locks gear inside, a removable torque tool that stows away to deliver all available space for your gear, and premium black chrome badging that stands out from the crowd.

- 453.07 litres of cargo space
- Rugged angular finish and stealth like texture stands out from the crowd
- Intuitive and easy to grab lid handle locks gear inside the box and the box to the vehicle
- Removable torque limiting knob ensures a safe and secure installation
- Market-leading internal usable space with an unobstructed flattened floor provides more space for your gear
- Optimized hatch clearance for better vehicle fit
- Universal mounting hardware fits all Yakima StreamLine™ crossbars and factory or aerodynamic crossbars
- Internal lid stiffeners for durability and easy open and close
- Dual-sided opening for easy access on either side of your vehicle
- Hauls gear for up to 3 campers; fits snowboards and skis up to 185cm
