

Snow

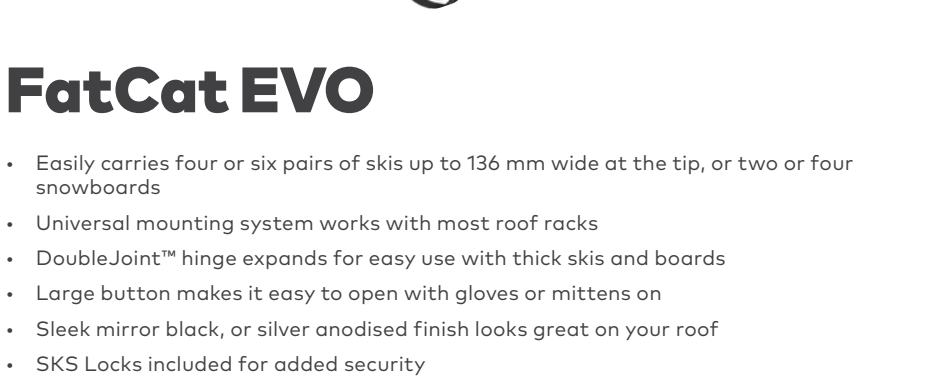

We're leaders in our category, packing heritage, safety, design sensibility, and street smarts into every product.

Created by lovers of the outdoors with pioneering spirits and innovative vision, Yakima has won numerous awards for durable, inventive products that stand the test of time.

Here at Yakima, we design, engineer, test and fine-tune every product to last. That's why we can back up our work with our comprehensive Yakima Warranty.

SNOW MOUNTS

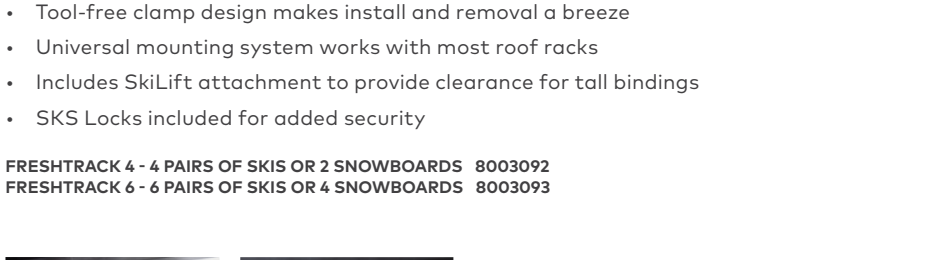

FatCat EVO

- Easily carries four or six pairs of skis up to 136 mm wide at the tip, or two or four snowboards
