

BigCatch **NEW**

KAYAK FISHING BOAT SADDLES

Bust out the big boats with the BigCatch's whopping 68 kg capacity. Introducing the first universal kayak saddle, built to handle heavy fishing kayaks and sit-on-tops. The rubber-padded saddles conform to the kayak's hull for a super-secure, full-contact carry that's easy on your boat. A simple, tool-free install will load it up faster for even more time to chase the next big catch.

- Especially designed to support the extra weight of fishing and sit-on-top kayaks.
- Handles up to 68 kg—enough for the heaviest of kayaks.
- The oversized cradle protects the boat and conforms to a variety of hull shapes.
- Soft rubber pads protect the kayak from dings and scratches.
- Felt pads included for easy kayak loading.
- Universal mounting hardware means a quick and easy fit for a majority of crossbars and platforms.
- Easy, tool-free installation to quickly mount, load and go.
- Heavy duty straps and bow and stern tie-downs included (HoodAnchor, sold separately, is required for vehicles with no attachment points for bow and stern tie-downs).
- Minimum Crossbar Spread 68.58 cm.
